Subject: Notification of Practice Relocation

Dear patient(s),

I am writing to inform you that as of December 1st, 2025, I will be relocating my medical practice to a new clinic location in Guelph. My last day at Arbour Family Medical will be November 28th, 2025.

New clinic address:

Acorn to Oak Family Medical
Suite 302
649 Scottsdale Drive, Guelph, N1G 4T7
519-837-2283
<https://acorntooakmed.ca/>

Please see the website for further information about location, parking, etc.

To help facilitate this transition, there will be a temporary pause on appointment bookings for some non-urgent matters, such as routine physicals, routine diabetes visits for those who are stable, and pap smears. These will resume in 2026, or can be booked with the nurse practitioner. The online booking system will also have some temporary disruptions.

Thank you for entrusting me with your care. I am very grateful for the past seven years with my colleagues, staff, administrative team, and allied health care professionals at Arbour Medical. I appreciate your understanding during this transition and look forward to seeing you at the new clinic.

Yours truly,

Dr. Julie Chaytor, M.D.
